New Wonder Goin Was a Gonor Before He Went Far On the Slab,

Colored Cubs., ...4 0 3 1 0 0 0 0 0did not strike their proper pace in yes terday's encounter till about the sixth inning, then they played some exciting ball. Unfortunately it was too late at the closeof the ninth linning, when the score stood a tie, for the Indians to finish the game and catch the train for Mesa. The grandstand was much disappointed. All bets wer declared off and the gate money di vided evenly. The history of the innings which might have followed no

doubt would be interesting. In the kickoff, the Indians took : engthy lead and it looked just as easy as moulding putty for the redskins to win the game. It later developed into a hard contest when the Cubs began getting. The tiemp came in the eighth and both were blanked in the ninth. The new and boasted whirlwind fro

California, Goin, lasted but one round He was started goin' on the checkred career as soon as he opened u with a base on balls to the first In lian butter. And he never stoppe goin' till they had plastered up for figures in the run column. Goin neve came back. The next round Charlle Grijalva took his job with the hand cap of four runs and the Indians hit

Scott the Indian twirler was not in the form shown in the former game and the longer the contest went th less effective were his benders. The scoring of the Colored Cubs began ! the fourth when Grijalva slammed th ball to left and Boggs followed with stinger to left scoring Charlie. Bogs tallied later on a hit. A fast doub play from pitcher to first and back to the plate ended the Cubs' rally fo that ultimo.

But when they took up the bludges

in the fifth the bombarding continued three swats, a base on balls and grounder allowing three of the dark boys to get a whiff of the savory platter. The Indians braced up in the sixth retiring the Cubs handily. The seventh opened by one man being re Appropriately the a boot was pulled at first, then a boot was pulled off at short, when Goin went to firs and had gone in the past perfect tens by a steal of second. Thus he had Hved up to his name in all its form including the participle. It was the abjunctive mode whether he won reach third but Grijalva smote out hi econd two-base hit, Goin going home Charile also tallied from second by a spurt of speed on Boggs' drive The Indian left fielder saved the day by a star eatch and the third man

> Still one run behind in the eighth the Colored Cubs made another lunge for the bacon. A single by Grijaiva, the catcher helped some but he unwisely tried for third and was put out. E. Bruce received a life at third on this play of the fielder's choice, and J. ] Bruce singled to right and sent his redecessor home with the tieing run. Join never got as far as first that tim nd the inning ended. Grijalva walked and stole second in the ninth, but a running catch in left and a fan-ou and a grounder closed the round.
